# TESTIMONIALS

“Both my children had a wonderful experience during the 'Youth Leadership' workshop conducted by Indian Leadership Academy. I would highly recommend their Leadership development for youth program.”

Pratibha Gupta - Parent/Educationist - Bangalore

“The Leadership development Program taught me many Life lessons. Specifically the innovation & creative thinking topic will help me a lot moving forward.”

Arkoprobho Roy - Student - Bangalore

“It is a great concept. Improves our social skills by interactive learning and fun activities. What I loved the most in the program is that how we could form a team easily and come up with a lot of ideas and work towards it.”

Aqsa Afsheen - Student - Bangalore

“I just loved the Program. The facilitators were very interactive. The program helped me to enhance my leadership qualities.”

Charith - Student - Hyderabad

“It was great to see the enthusiasm of the kids and also the viewpoints when they were asked about the session. They seem to have developed resilience and empowering attitude towards failure, which even adults find it tough to handle. The self-motivation, positive attitude, social awareness, public speaking skills displayed was enthralling. Learning with Fun seems the underlying foundation of this Leadership Course!!!”

Narendra Padyath - Parent/ IT Manager - Bangalore
